Chuck Moore Signs

A Proudly Independent Family Company

Chuck's family has been in the Real Estate Sign business for over 100 years. They started back in 1919, by building relationships and providing high quality signs and service to most of the Realtors in Michigan. We continue to build on that legacy of quality to bring you great signs, on time and affordable.

We always appreciate any suggestions to better our products and to offer new items our customers are interested in.

Your business and our client relationships are everything to us, and we truly appreciate when you tell your friends, we want you to make Chuck Moore's Commercial Sign Service your one stop shop for all your Residential and Commercial Real Estate Sign Needs.

FOR SALE PITCHFORK SIGNS

The Pitchfork

The "Install It Yourself" Portable Sign Solution

The Pitchfork

The "Pitchfork" stand is heavy gauge metal powder coated Black or White. Panels are made of durable poly plastic with digital graphics and additional protective UV laminate applied to every sign, even riders! Panels are riveted back to back to the Pitchfork using high quality aluminum rivets.

Custom Top & Bottom Riders Available

Custom 1 PC Double Faced Square Top Riders (*on most square signs) and 2 Piece Riveted Square Bottom Riders that attach to Pitchfork can be purchased for your signs.

RESIDENTIAL RIDERS TOP OF CROSSARM OR HANGING

DOUBLE FACED TOP OR BOTTOM RIDERS

Riders Come With Holes 18" Center To center unless Custom Holes Requested. You MUST Specify Top or Bottom Riders. And if Custom Holes...This is important, as you don't want to get your residential installer upset! We only install "custom" Residential or Commercial. Various Materials to Choose from Based on Your Needs Each with Applied Digitally Printed Vinyl Graphics and Additional Protective Gloss UV Laminate Added to All Signs.

3mm DuraBond

6" x 18" / 8" x 18"
6" x 24" / 8" x 24"
6" x 28" / 8" x 28"
6" x 30" / 8" x 30"
Custom Sizes Available

NOTE: Good Material for Riders. Plastic Waterproof core with Aluminum on both sides.

.125 POLY

6" x 18" / 8" x 18"
6" x 24" / 8" x 24"
6" x 28" / 8" x 28"
6" x 30" / 8" x 30"
Custom Sizes Available

NOTE: Good Material for Riders. Plastic Is Very Durable Does Not Absorb Moisture. May Bow after time.

4 mm Fluted Plastic

6" x 18" / 8" x 18"
6" x 24" / 8" x 24"
6" x 28" / 8" x 28"
6" x 30" / 8" x 30"
Custom Sizes Available

NOTE: Good Economical Material for Riders. Not as Long Lasting As Other Materials But Good for Short Term Use.

*2 Holes come 18" Center to Center Unless Specifically Requested in Writing
Additional Holes at minimal cost upon written request

**You Must Provide Specific Hole
Dimensions To Fit Your Sign or Your
Installers Specifications.**

Top & Bottom Riders

Custom Holes Upon Request
At additional cost

We think Riders are a great way to add that extra message or to let everyone know you sold it! Various materials available, ask our staff what will work best for you.

We don't install the cross arm posts and riders so make sure to check with your installer how they want the holes. We do them 3" in from ends at bottom or at top for Hanging Riders.

We can also do Pitchfork riders and custom riders as well.

Give us a call to discuss riders as we know every listing for you is custom, like every sign we do is custom as well.

So let's talk details and get that property sold.

Residential Real Estate Signs

Chuck Moore Signs

A Proudly Independent Family Company

We take pride in all of our artistic creations, and even more in our everyday relationships with our customers. To us, all of our signs are custom and a lot of details go into making a nice sign, and those details often reflect who you are. And who we are.

Give us a call and let's discuss size, materials, installations and what beautiful custom signs we can make together. And let's see what we can create together to help your image shine.
